Fundraiser Supporting

GREGOR'S GIFT

Welcome to a Night of Hilarity

Welcome to the inaugural fundraising event for Gregor's Gift Charity. This evening is intended to bring a smile to your face and laughter to your heart. We are thrilled to have you with us tonight!

Gregor's Gift is a registered charity with a mission to support primary caregivers of critically or terminally ill loved ones. Our goal is to provide caregivers with a helping hand, so they know they are not alone. Our purpose is to extend an act of kindness to help caregivers with their responsibilities allowing them to spend time and energy on their loved ones.

As Founder and Chair, I want to thank every one of you for taking the time to come to our Night of Hilarity event tonight. Your incredible support has touched my heart, and because of your generosity, we will be able to make a difference in the lives of many caretakers who need light and understanding during a very difficult time. The proceeds from this event will go to St. Joseph's Hospice in London to revive a caretaker program shut down through Covid. Due to your overwhelming support, I am able to show our twins, Abigail and Benjamin, how every act of kindness really can change the world.

We hope you enjoy this evening of fun and laughter, and we thank you from the bottom of our hearts for all your love and support.

Caring for caretakers of terminally and critically ill loved ones.

Gregor's Gift is a registered charity with a mission to support primary caregivers of critically or terminally ill loved ones. Gregor's legacy is to let us all know that love lives on.

Fundraising efforts will support caregivers who need a little help to get through a tough day. All Gregor's Gift proceeds are dedicated to showing caregivers they are seen, loved, and so appreciated.
